## **Accomplishments for 2024**

### **Maple Lane Community Park**

Maple Lane Park Survey was completed and survey recommendations have been forwarded to the RDN Park Planning Committee.

Information will be presented at the AGM on April 30<sup>th</sup>, 2024

### **SSPORA Website**

Administrative costs have been reduced and we now prepare our own updates.

### **San Pareil Paving of Pot Holes**

SSPORA Directors are responsible for finding the potholes in the neighbourhood and contacting Mainland Road for repairs.

### **Plummer Road and 19A Intersection Petition**

Over 265 residents signed the petition during the first week of January, 2024.

A meeting was held with MLA Adam Walker to talk further about our concerns.

A meeting was held on April 18<sup>th</sup> between the Area G Director, Mayor of Parksville and Ministry of Highways and Infrastructure.

Information from the meeting will be presented at the AGM on April 30<sup>th</sup>, 2024

### **San Pareil Information Hub – located at the entrance to Maple Lane Community Park**

Information Hub design was approved by the RDN.

Grants in the amount of \$400.00 were received.

SSPORA donated \$400.00.

Work started in March and should be concluded by May 8<sup>th</sup>

An Opening Celebration is scheduled for May 8<sup>th</sup> at 5:00 pm

### **Wilson Property**

SSPORA Directors have been in contact with Tom Reid, from Nature Trust and continue to receive information on the progress of the property.
